

Make Your Own Booze

(without catching fire, blowing up, or going blind)

COUNTDOWN: 20

A photograph of two glass jars filled with a bright yellow liquid, likely limoncello. The jars have gold-colored lids and are placed on a surface. In the background, there are other jars and a white cloth. The word "limoncello" is written in a large, black, italicized font across the center of the image.

limoncello

COUNTDOWN: 19

- 
- A kitchen scene on a wooden cutting board. In the upper left is a bottle of Everclear 75.5% alcohol. To its left is a lemon with its top removed. Below the lemon is a black-handled zester. To the right is a metal colander containing several strips of yellow lemon peel. Overlaid on the center of the image is a list of three items: Solvent, Botanicals, and Diluent.
- Solvent
 - Botanicals
 - Diluent

- 
- A photograph of ingredients for a cocktail on a wooden cutting board. In the background is a bottle of Everclear 75.5% Alc/Vol (151 Proof) grain alcohol. In the foreground, there is a metal mesh strainer filled with bright yellow lemon zests. To the left of the strainer is a halved lemon and a black-handled zester. The text of the list is overlaid on the image.
- High-proof alcohol
 - Lemon zests
 - Simple syrup

- Solvent: Everclear (1.5L)

- 
- A photograph of a kitchen workspace on a wooden cutting board. In the upper left is a clear glass bottle of Everclear grain alcohol with a black label. To its left is a whole yellow lemon. In the lower left, a black-handled zester and a black-handled knife are visible. On the right, a stainless steel mesh colander contains several bright yellow lemon peels. A large black text overlay is centered over the image.
- Solvent: Everclear (1.5L)

COUNTDOWN: 15

-
